

Premium Mechanical Dock Leveler

★ GENERAL OVERVIEW

NOVA's Premium Mechanical Dock leveler is designed to provide excellent reliability and structural durability at an affordable price. Easy pull chain operation with a yieldable flip out lip and below dock end load controls makes this full featured leveler a "True Value".

★ FEATURES

- Auto-Release Hold down w/9 Tooth Pawl
- 5 Year Warranty
- Yieldable Flip Lip w/Dampened Return
- Single Point Spring Adjustment
- Integral Maintenance Strut

★ STRUCTURAL

The leveler is a welded box style construction with piano style lip hinge. The deck and lip are 50-55,000 PSI yield safety tread plate. The deck is supported by formed steel channel with structural steel headers and toe guards. Lip hinge spools alternately welded to the front header and lip are connected by a solid hinge pin. Continuous 1" rear hinge pin mounted in compression on a structural steel angle supported by (4) structural steel channel uprights allows for 4" of cant with no pinch points.

★ SAFETY FEATURES

Equipped with multi-position structural safety legs. Lip is yieldable to accidental impact. Also included is an integral maintenance strut, night locks, and safety marked working range toe guards.

Recommended Safety Equipment:

Anchor Truck Lock System to restrain trucks / trailers during the loading/unloading process.
